

Protecting nature. Preserving life.

Janet Bowman
Senior Policy Analyst
The Nature Conservancy in Florida

Janet Bowman is Senior Policy Advisor/Climate Policy for the Nature Conservancy in Florida where she focuses on state climate and conservation policy, resilience policy, and transportation.

Janet has also served as the Legal Director of 1000 Friends of Florida, attorney for the Senate Community Affairs Committee and the Legislative Committee on Intergovernmental Relations, focusing on local government land use, governance and finance issues, and Senior Attorney for the Department of Environmental Protection. She has served as an adjunct professor at Florida State College of Law teaching environmental law.

Janet received her J.D. from the Florida State University College of Law, and her B.A. from New College of Florida. She is a past Chair of the Environmental and Land Use Law Section of the Florida Bar and a frequent speaker on conservation policy topics and on environmental and land use law. Recently, she managed the development of the forthcoming study the "[Economic Benefits of Decarbonization in Florida.](#)"
